

# FOUR POST BOAT STORAGE LIFT

*This new series of boat storage lifts is engineered to revolutionize the way you store your recreational boats. There are three versatile designs: Standard, Extended Length & Capacity, and Extended Height. Get the perfect fit for any size boat. With two width settings, these lifts feature a large drive-in clearance - over 110" to accommodate various trailers, delivering a storage experience that exceeds expectations.*

**408-HPX**  
**409-HPX**  
**408HLX**

Concealed manual single point lock system  
(patent no.: 2023232158140)
